PRIZE LIST DIRECTIVES

LEVELS: Levels listed above. Classes will be split if entries warrant for Open, Adult Amateur and Junior/Young Rider divisions. All tests current editions. Make sure to verify you are riding the correct test. If entering a Test of Choice, specify test on entry form.

OPPORTUNITY CLASSES: Held in accordance with USEF GR821. Scores from these classes will not be included for USEF high point or year-end awards. Horses entered only in these classes are exempt from USEF/USDF fees, including the Equine Drugs and Medication fee, but they are still subject to and must comply with the Drugs and Medication rules and may be selected for drug testing. Horses entered only in these classes are not required to have a USEF/USDF number but are to list the numbers if the horse has been registered with either federation. Riders who enter only Opportunity Classes are exempt from USEF/USDF membership requirements and are not required to pay a non-member fee, but are required to list membership numbers if the participant is a member. Riders and horses may also enter Introductory Classes with the same exemptions. Cross entry to other classes is allowed, but then all applicable fees and membership requirements apply.

FREESTYLES: Freestyle class entries require copies of qualifying tests at that level (or any higher-level test) verifying eligibility from a USEF Licensed Open Dressage Show to be submitted at time of entry. Riders should submit music on good quality CDs to the announcer's booth the morning of their rides, or contact the show secretary if sending digital music files. Music should be labeled with horse/rider names, instructions, and class number. Times for sound checks will be announced and posted at the show. With the exceptions noted below, in order to enter a freestyle class at any level, a horse/rider combination must have received a minimum score of 63% for Training through Fourth levels in the highest test of the declared freestyle level or any test of a higher level. For the FEI levels, a horse/rider combination must have received a minimum score of 60% at the declared freestyle level or any test at a higher level. Scores must be received at a Federation /USDF Licensed Dressage Competition or FEI recognized Dressage Competition or “open” Dressage class (i.e. open to all breeds) at a Federation Licensed Competition held prior to the competition where the horse/rider combination is entered to ride a freestyle class. The 63% minimum qualifying score applies to all Training through Fourth level Freestyles, even if an FEI test is being ridden as a qualifier. For example, a horse/rider combination competing

in PSG or the FEI Young Rider test must obtain a score of 63% or higher in order to ride a Fourth Level Freestyle and a horse/rider combination riding the FEI Pony Rider test must obtain a minimum score of 63% to enter a Second Level Freestyle. To enter an FEI Para Dressage Freestyle class, a horse/rider combination must have received a minimum score of 60% in any FEI Para Dressage test (Para Novice Test, Para Intermediate Test or Para Grand Prix Test) at the rider's classified Grade. This score may be earned at a USEF/USDF licensed Dressage Competition or FEI recognized Dressage Competition or "open" Dressage class (i.e. open to all breeds) at a Federation Licensed Competition held prior to the competition where the horse/rider combination is entered to ride a freestyle class. A copy of the USDF score verification or a photocopy of the test verifying eligibility, must be submitted with the entry for a freestyle class. All FEI Pony Rider Tests are equivalent to Second Level; all FEI Junior Tests are equivalent to Third Level; all FEI Young Rider Tests are equivalent to PSG; and the USEF Brentina Cup (Young Adult) Test and FEI Young Rider Grand Prix 16-25 Tests are equivalent to Intermediate II. For purposes of freestyle qualification, all are considered equivalent to the highest test of that level and may be used to enter a freestyle at that level or a level below, as long as the appropriate score is earned. Young Horse and FEI Children Tests cannot be used for freestyle qualification at any level. **PRIZE GIVING CEREMONY: There will be no prize giving ceremonies for any class, and no mandatory participation required.**

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

Rev 2/20/2024

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
